CERTIFICATE

The company

Lampe Textiles nv
Kanegemstraat 29
8700 Tielt, BELGIUM

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the OEKO-TEX® mark, based on our test report **414**

for the following articles

SQUID – a self-adhesive window covering textile made of 100% PES (with protective liner) – dyed, printed – with biological active treatment accepted by OEKO-TEX®

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 1703006 is valid until 31.03.2018
