

Bloque Hormigón

Product description

This decorative panel faithfully reproduces the blemishes typical of the classic grey concrete block; a good formula for creating relaxed settings without leaving behind the modernity provided by this material. The Bloque Hormigón decorative panel conveys realism, strength and personality with a clean finish.

Technical characteristics

Weight:
18 Kg

Thickness:
20mm - 22mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight
