

# Classic Tile

## Product description

Several years ago, small-sized tiles came into favour in interior design. And they came to stay because it was recognised that they achieve a luminous effect from a simple composition. Panespol Classic Tile brings the shine that makes a space unique without neglecting the most traditional part of this material, that of being ideal for mixing styles and trends.

## Technical characteristics

**Weight:**  
17,3 Kg

**Thickness:**  
20mm

### Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

**Waterproof**

**Impact resistance**

## Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable
