

Cube

Product description

Three-dimensionality is perhaps the mantra for the boldest interior designer. Coverings with volume are a great alternative when it comes to creating genuine environments that stand out for the uniqueness of their fabric rather than for their endless colour options. But when these two factors come together you get aesthetic solutions like the Panespol Cube Decorative Panel, which in addition to being satisfying to touch, can be made in any RAL colour range.

Technical characteristics

Weight:
7,3 Kg

Thickness:
20mm - 31mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable

Certificates

Thermal insulation certificate
carried out by Tecnalia

Fireproof certificate B-s1-d0
carried out by Aitex

Fireproof certificate according to the Russian normative
carried out by Zentrum

Reduced Carbon Footprint

CE Mark

ISO 14001
