

Product description

The Dune model provides inspiration with a markedly industrial look. It brings sobriety and order to any space thanks to its completely realistic finishes and textures, with varying bubbles and tones. Architectural concrete panels that give that industrial touch and perfectly mimic the natural origin of the organic materials they replicate.

Technical characteristics

Weight:
15'5 Kg

Thickness:
24mm - 19mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

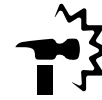

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable

Certificates

tecnalia

Thermal insulation certificate
carried out by Tecnalia

aitex
Instituto tecnológico textil

Fireproof certificate B-s1-d0
carried out by Aitex

Fireproof certificate according to the Russian normative
carried out by Zentrum

Reduced Carbon Footprint

CE

CE Mark

ISO 14001
