

Product description

Texture is the sensation produced by how things feel through our senses. For this reason, one of the concerns of every decorator is based on not falling into the monotonous “flat feeling” that some open-plan spaces project. Panespol Elba decorative panels are a great choice when you want to make one space stand out from others around it, using fabrics that combine contrast and depth.

Technical characteristics

Weight:
9,6 Kg

Thickness:
10mm - 40mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Decorations and finishing options

TX-050 9016
Elba

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple
and quick

No building
works
are required

Recyclable

Sustainable
