

Espiga

Product description

The Espiga Brick decorative panel is a good option if you are looking for a rustic setting without putting aside the innovation that is inherent in a transgressive design. Its unique pattern captivates the gaze and gives the setting a natural feel. It can also be used to clad both interior and exterior walls and it is very easy to lay.

Technical characteristics

Weight:
7'5 Kg

Thickness:
13mm - 16mm

Maintenance:

if necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable
