

Product description

Geometry and minimalism. Our new GIZA decorative panel successfully produces optical effects that can give your creations that extra impact, not only for decorating, but also for making their depth and relief grow or expand to -almost-infinity. The composition of the texture drawn by diminishing squares is the key to achieving that greater sense of space and going beyond the visual dimension. A paradise of harmony and well-being.

Technical characteristics

Weight:
3,8 Kg

Thickness:
15mm - 19mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable

Certificates

Thermal insulation certificate
carried out by Tecnalia

Fireproof certificate B-s1-d0
carried out by Aitex

Fireproof certificate according to the Russian normative
carried out by Zentrum

Reduced Carbon Footprint

CE Mark

ISO 14001
