

Grunge Brick

Product description

A safe option with a quirky touch. The scratches and imperfections on the Panespol Grunge Panel are inspired by a somewhat chaotic, scruffy yet realistic view of the world. This decorative covering is designed to play a leading role in the kind of project that manages to break any stereotype by its very nature.

Technical characteristics

Weight:
7 Kg

Thickness:
22mm - 26mm

Maintenance:

if necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

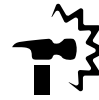

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required
