

Product description

The characteristic shape is immediately recognisable by anyone who has travelled by underground in recent years. The way they are arranged, imitating brick, and their typical bevel has made it an essential component for covering. The Panespol Metro decorative tile panel features a rectangular tile surface that enhances the brightness of any space. In addition, its wide range of colours gives it great versatility.

Technical characteristics

Weight:
6,3 Kg

Thickness:
10mm - 29mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable

Certificates

Thermal insulation certificate
carried out by Tecnalia

Fireproof certificate B-s1-d0
carried out by Aitex

Fireproof certificate according to the Russian normative
carried out by Zentrum

Reduced Carbon Footprint

CE Mark

ISO 14001
