

Product description

Contrast occupies a prominent place in interior design. Oviedo decorative panels are highly recommended if you want to give greater prominence to certain areas of the project, which in principle would otherwise go unnoticed. This is an ideal panel for decorating in commercial sectors such as contract and retail.

Technical characteristics

Weight:
7'5 Kg

Thickness:
10mm - 42mm

Maintenance:

if necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable
