

Proyectado

Product description

The Panespol Proyectado panel is a good alternative for any decorator who seeks to stand out by using a perfect "noisy" graphic that contrasts with more regular and linear shapes. Like the other Panespol models, this panel can be painted in any RAL colour, which gives it great versatility.

Technical characteristics

Weight:
31 Kg

Thickness:
15mm - 25mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight
