

Product description

The white colour so characteristic of the Nordic style is one of the most popular. Wall covering with our Panespol Santander brick panels will bring luminosity and the feeling of spaciousness to customer settings because of the serenity of their light tones. Achieving a clean and charming result, both indoors and outdoors, without sacrificing the particularity and naturalness of the brick.

Technical characteristics

Weight:
7'6 Kg

Thickness:
10mm - 25mm

Maintenance:

if necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required
