

Tabla Rústica Nogal

Product description

The visual stimulation provided by wood produces in people a feeling of relaxation and well-being that makes the creation of unique environments possible. For this reason, the Tabla Rústica Nogal decorative panels are the best choice of decorators who have to create a genuine atmosphere in a hotel room or in a classic and elegant exclusive setting for the catering sector. In addition, this covering offers different designs in order to obtain a 100% realistic effect, providing intimacy and comfort to a room.
