

Product description

The Tubes model from the Wavies range allows you to immerse yourself in an aesthetic of pure, relaxed lines and simplicity. A new design concept in which simple shapes are combined with technical excellence to offer an optimal result of a wall made up of small waves. Although its design and texture is associated with the industrial style, in reality, thanks to the fact that the panels can be painted in any colour, it can be adapted to any environment.

Technical characteristics

Weight:
12'8 Kg

Thickness:
13mm - 21'5mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Decorations and finishing options

TX-074 7044
Tubes

TX-074 9016
Tubes

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable

Certificates

Thermal insulation certificate
carried out by Tecnalia

Fireproof certificate B-s1-d0
carried out by Aitex

Fireproof certificate according to the Russian normative
carried out by Zentrum

Reduced Carbon Footprint

CE Mark

ISO 14001
