

Product description

The Valley model from the Wavies range can decorate environments in a new way, thanks to the concrete effect, as the protagonist, and its flat wave shape. The key is to combine it strategically with other elements, patterns and textures according to the style required in the environment.

Technical characteristics

Weight:
12'8 Kg

Thickness:
15mm - 18mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable

Certificates

Thermal insulation certificate
carried out by Tecnalia

Fireproof certificate B-s1-d0
carried out by Aitex

Fireproof certificate according to the Russian normative
carried out by Zentrum

Reduced Carbon Footprint

CE Mark

ISO 14001
