

Product description

The perception of the essential and the subtle. With very little you can achieve a wealth of abundance, a singular and unique space. This is the basis that inspires our PANESPOL ZEN decorative panel. A whole decorative, minimalist and pictorial philosophy. The ultimate goal is to refine a design that surprises by the simplicity and essence of things, without excuses or embellishments. The value of the austere and the beautiful.

Technical characteristics

Weight:
3,6 Kg

Thickness:
11mm - 17mm

Maintenance:

If necessary, clean with water or a non-irritating or non-corrosive cleaner.

Waterproof

Impact resistance

Product features

Lightweight

Non-flammable

Strong

Non-toxic

Simple and quick

No building works are required

Recyclable

Sustainable

Certificates

Thermal insulation certificate
carried out by Tecnalia

Fireproof certificate B-s1-d0
carried out by Aitex

Fireproof certificate according to the Russian normative
carried out by Zentrum

Reduced Carbon Footprint

CE Mark

ISO 14001
